Dear Members & Supporters,

If you feel in harmony with the White Eagle philosophy of Life and would like to help the work of the White Eagle Lodge, a practical way of doing this is by becoming a member. It does not matter if you live far from any Lodge or group, because membership is as much a spiritual experience as a material link and all can join in the spiritual service of the Lodge, and follow the White Eagle path of unfoldment through meditation and healing service to humanity. We believe these teachings illumine the message brought by many great Teachers from both East and West. It is not a part of this work to supplant the philosophy of any of the great world Religions.
